

The Gulf Coast Volleyball Officials held its third Annual **Block Out Breast Cancer Volleyball Tournament** on October 11th at the Galveston Ball High School Gym. Six area middle schools participated in the tournament and they raised money for Breast Cancer to pay the entry fee to the event. All proceeds are given to D'Feet Breast Cancer, Inc. of Galveston.

Gulf Coast volunteered their time to officiate and organize the event. The Ball High School coaches and players volunteered as Line judges and worked the table. Money is still being collected but we are confident the goal of \$3,000.00 will be reached. Moody Nation Bank provided awards for each team and player. The event has grown each year with bigger plans for 2015.

Pictures – The players from Austin Middle School giving their donation to D 'Feet President Ms. Dolly Warren. Also, Austin Middle School was with tournament Champions.
