

PAYMENTS DUE TO TASO

If an individual owes payment to TASO for dues shortage, rejected payment or any other reason, an email is sent to the individual copying the chapter secretary requesting payment using a link provided in a separate email to the individual. The payment must be received within 10 days.

If not received, another email is sent allowing an additional 10 days.

After the second email, the individual and chapter secretary receive a final email stating that the individual is not eligible for game assignments and that his/her record is flagged as Unpaid and Inactive. Access to the TASO website is removed. If the individual is a member of more than one sport, the chapter secretaries of the other sports are informed that the individual is Inactive and not eligible for game assignments in any sport.

If the individual wishes to return to Active status, payment of the amount owed plus a \$25 reinstatement fee must be made.

Individuals experiencing financial hardship may inform the Executive Director of TASO. The Executive Director will determine the response based on each request.
